Professor Dr. Asaad Mubarak Jabbar (born 1971) is a Consultant Physician in Internal Medicine, holding both Arab and Iraqi Board certifications in the specialty (obtained in 2002). He is a Professor at the College of Medicine, University of Kirkuk, and practices at Azadi Teaching Hospital. Since 2016, he has served as a trainer and supervisor for students of the Iraqi Board for Medical Specializations at the Kirkuk Internal Medicine Center. He possesses over 30 years of academic and professional experience, with a particular focus on cardiology and echocardiography. His academic career at the University of Kirkuk's College of Medicine began in 2011; he has held various academic and administrative positions, including Head of the Internal Medicine Department, Head of the Pharmacology Department, Head of the Family and Community Medicine Department, and Vice Dean for Scientific Affairs.

Research interests cardiology, metabolic disease, nutritional therapy,
