I am a professor and consultant specializing in obstetrics and gynecology. I have extensive experience in medical education, clinical practice, and training postgraduate students. I served as Head of the Department of Obstetrics and Gynecology at the College of Medicine, Kirkuk University, from 2008 to 2014. I have been working as a consultant in the field of obstetrics and gynecology at Azadi Teaching Hospital in Kirkuk since 2008, in addition to my work as a consultant in the cervical endoscopy clinic since 2006. Since 2016, I have been involved in training and supervising graduate students within the Iraqi Board program in [location missing].

Research interests Women's Health · Obstetrics & Gynaecology · Colposcopy · Hysteroscopy · Infertility · Clinical Medical Education

Education 3

1985	**M.B.Ch.B.** — Salahaddin University — College of Medicine, Erbil — Iraq
